BriteEducation School of Technology
ABMA Education Recognised Centre No. 2851
2nd Floor, Chiyedza House, Corner of First Street and Kwame Nkrumah Avenue, Harare

ICT Fundamentals

Harare, Zimbabwe · 3 months / 1 or 4 months · Weekday, Weekend, Evening, Online

This pathway is designed for absolute beginners, school leavers, and career changers entering technology. You learn how computers work, navigate Windows and Linux confidently, use word processing, spreadsheets, and presentations, communicate online safely, and understand foundational networking concepts such as IP addresses, Wi-Fi, and LAN basics. The certificate is a gateway into programming, networking, IT support, and diploma-level technology programs at BriteEducation.

Qualifications and exams

CERTIFICATION EXAM

CompTIA Tech+ (FC0-U71)
CompTIA's entry-level IT certification, written online with a live remote proctor (Pearson VUE OnVUE) in a testing room at BriteEducation's Harare campus.

Certification exams: CompTIA Tech+

Curriculum: the six CompTIA Tech+ domains

Each module maps to a domain of the CompTIA Tech+ (FC0-U71) exam objectives, with practical work on real computers, so beginners finish ready to sit the exam.

Stage	Modules (CompTIA Tech+ FC0-U71 domains)	Practical skills
Stage 1 First half	1. IT Concepts and Terminology 2. Infrastructure 3. Applications and Software	• Computer hardware, Windows and Linux file management • Word processing, spreadsheets and presentations **Practice tests after each domain**
Stage 2 Second half	1. Software Development Concepts 2. Data and Database Fundamentals 3. Security	• Internet, email and online safety • Basic networking: IP addresses, Wi-Fi and LAN **CompTIA Tech+ exam, online on campus (OnVUE)**
